AGUSTINA MALDONADO LEVIS November 23rd, 1971 - June 4th, 2020

In St. Augustine, Florida, Agustina Levis of Ventura, California, calmly transcended this world on June 4th, 2020 at the age of 48. And although her mortality has ceased, her soul still vibrates through the memories and stories of those who had the pleasure of knowing her.

She was born in November of 1971, in Ventura, California and raised in a humble neighborhood known as El Rio. She was the exuberant daughter of Rosemary Lozano and Reynaldo Maldonado. She was also blessed with bonus fathers, Phillip Willmarth, and Steve Weber; She was the mischievously fun sister to Richard, Martin, and Stevina Willmarth; the passionate wife of Keyth Levis; and the self proclaimed, "proudest mother in the whole wide world!" to her three sons: Graciano Yanez, David Gukich, and Nathan Gukich. She will also remain an iridescent soul to the rest of her ever growing family.

Tina was a once-in-a-lifetime example of the beautiful and wondrous forces that make up this human experience. She had a soul made of pure cosmic energy; kept safely inside a kintsugi-crafted Servant's heart. An altruist by nature, with a magical ability to see the good in everyone of us. She was a profoundly talented server/bartender who possessed a magnetic charisma that would have customers traveling far and wide for her mixed drinks and bar therapy. She was a caregiver to the spiritually battered, or any depressed vagabond, or anyone who the world had simply given up on.

She had a gift for gab, but always had both ears open for your life story and a hug that made you feel like you were one of her own. A brain fueled by spirits and filled with Latin traditions, as well as a mental library full of Looney tunes and Saturday morning cartoon references. She loved traveling, adventure, and time with her kids. She was truly at peace when listening to ocean waves, while watching the sunset cascade over the water. Or at night, when she would cook midnight meals and snuggle her pets over 80s rap and r&b music.

Tina remains alive and well in the thoughts of her family, friends, and the numerous people who she uplifted with her smile and laughter. Since Tina will be, "late to her own funeral."

She ask that you instead do something kind for someone less fortunate than yourself. Paying that kindness forward.

If you wish to literally pay it forward, her family recommends donations to the Make-A-Wish foundation or your local Hospice center. Both took excellent care of her life. St. Johns Family Funeral Home is in charge of arrangements.
