

Anthony Hoyt "Tony" Reich

June 18, 1961 - December 26, 2021

Anthony Hoyt "Tony" Reich, age 60, left to join his Heavenly Father on December 26, 2021, at his home in Saint Johns, Florida. Tony was born in Jennings, Louisiana on June 18, 1961, to Robert and Dorothy Reich. He was one of five children.

Tony was a very devoted follower of Jesus Christ, a man whose life genuinely reflected godly character, love, and compassion. Tony was an ordained minister and engaged in various ministries during his lifetime. He was a graduate of Florida State University with a bachelor's degree in History. Tony also earned a master's degree in Theology from Lee University in Cleveland, Tennessee.

Tony was an exceptional son, brother, and favorite uncle to many. He walked in humility and with a constant awareness of God. For Tony, material possessions held little significance. He kept his life simple. Tony walked by faith and not by sight. He leaned on God and trusted His eternal Father to guide him along this challenging path we call life.

Tony is survived by his mother, Dorothy Reich of Saint Johns, FL; sister, Cindy (Chip) Doll of Saint Johns, FL; brothers, Michael (Jayne) Reich of Franklin, NC, Keith Reich of San Antonio, TX, and Scott Reich of Nashville, NC. He is also survived by nieces and nephews, Lana (Cam) Navis, Sashell (Michael) Dragich, Rachel (Nick) Bowyer, Bianca Doll, Lane Reich, Chase (Jessica) Doll, David Reich, Roby (Deanna) Doll, and Alex Jones; great-nieces and great-nephews, Kingston, Coen, Joshua, Christian, Lincoln, Austin, Lucas, Levi, Amelia, Scarlett, Kai, Lawson, and baby Ezra (on the way).

Tony was preceded in death by his father, Robert Reich.

“ We love you, Tony. Jesse and I looked forward to the too few days you would show up at our home to paint. We always talked about the Lord and learned from you. You were kind, gentle, humble, deep in the Word and so easy to be real with. Jesse and I were talking about how we wanted to set up a time to visit you. Jesse could not find your phone number so we were going to get it from Willis or call your mother for your number. Our loss for not being quicker. When Jesse told me you had gone, my first words were "we know where he is". I know your family and friends will miss you but they know where to find you. What a blessing! Thank you Tony, you were brief in our lives but left a lasting impact. In Christ Love, Linda and Jesse Rowe
