“ I had the pleasure to work with Gladys at Siemens medical. She was my mentor when she trained me in diagnostics. She was a beautiful lady and we always had a great time working together. I will miss her greatly. My thoughts and prayers go out to her loving husband and her children and grandchildren. Memory eternal my friend.

“ Words cannot express how saddened we were to hear of Gladys' passing. She was a very special person who was always so kind and caring to our family especially to our daughters. We always enjoyed seeing her and Tom at The Beach Club every year. They treated us like family. Our thoughts and prayers go out to Tom and the rest of the family during this difficult time. We will miss her dearly.

Sending our love and heartfelt condolences,

“ Gladys and I both volunteered in the Compassion Ministries office at Hershey Free Church. I compiled the report to the Deacons and she did the financial part. (when I retired from that position, she did the whole report!) Our paths didn't cross too often, but when they did, we had some interesting chats. (interesting, her maiden name was Porter and so was my Grandmother's.) My sympathy goes out to the family with this untimely passing, but Gladys is with Jesus now, our ultimate goal.

“ Gladys was such a vibrant, strong, beautiful, wise and godly woman. It's so difficult to believe she has passed. I will miss her! I am very blessed to have had her friendship. She loved Jesus. I know she is with Him now, in perfect peace and joy. I'm glad I will see her again one day. Realizing this makes her loss more bearable. Praying for God's grace and peace to envelope her family.

“ My memories of Gladys are from grade and high school in Brattleboro VT, with her sisters and brothers. A truly sweet person. I had the good fortune of seeing Gladys again 6 years ago, when she graciously brought their Mom to my Dad's 100th birthday party. A loving daughter. My warmest condolences to her family as they carry her memory forward and she guides them daily.

“ I will not get over the loss of this friend for a long time. I loved her so much and she was always such an encouragement to me. My life was enriched by her presence. The Lord spoke to me a lot through her death and reminded me that we are never promised tomorrow. Where will you spend eternity? I know Gladys is with Jesus and I will spend eternity with her. That gives me so much peace. I will miss her terribly. She loved her family so much and was so proud of all of them. I love you Gladys always. See you again in Heaven.

“ The last time I saw Gladys was about 5 yrs ago.... it was at my high school reunion. We went to school together from early on through high school, although she was a year behind me. She was as beautiful on the inside as she was on the outside. Such a bright light snuffed out too soon. My heart breaks for her entire family. Offering my sincere, heartfelt condolences to all of her family and close friends. We know she rests in peace, in the Light with God.

“ I read tribute after tribute to Gladys. She received so many because she was a very special woman.

Throughout my years at the BC, I have spent many hours with her and we developed a very unique friendship. I am 16 years older than Gladys. My age didn't seem to bother her a bit.

She taught me how to use a computer about 15 years ago and now I can use my computer knowledge to tell you why she was loved by everyone who met her.

She was kind and always wanted to help. She was well read and willing to share her knowledge. She was always positive...I never heard her speak negatively about anyone.

She

included me in her Trivia games even though I didn't know any Trivia. She always had a smile on her face even if she lost at pinochle. She loved her family and frequently talked about them and she always asked me about my family.

The last time I saw Gladys was our last night at the BC and we went out to dinner with Tom and her. Tom drove us in his red Toyota Avalon hybrid. We liked that car so well, we bought one.

After that Gladys and I would laugh and compare mileage.

The BC or our Toyota will never be the same. Whenever I am at the BC or enter our Toyota I will remember Gladys and thank God for knowing her.
