

Idelle J. Rodriguez

May 20, 1971 - July 15, 2021

Idelle Jazmine (Velez) Rodriguez was born May 20th, 1971 in Bronx, NY and was raised in Ponce, Puerto Rico. God called her home on July 15th, 2021 in Jacksonville, FL.

Idelle held two degrees: a Bachelor of Arts in Accounting and a Masters in Business Administration. She held the title of Budget Supervisor for St. Johns County Public School Board. A job she loved more than any of us could ever understand. Her hobbies include, but are certainly not limited to, Zumba, music & dancing salsa & bachata, arts & crafts, learning new things, and anything and everything you can think of.

She enjoyed being at the beach, at any hiking trail, and she loved sunflower fields. Idelle's favorite flowers were sunflowers. The family asks that if you would like to send sunflower arrangements, please contact one of the local St Augustine florists to place your order. Idelle would travel whenever she possibly could even if it was a simple day trip to Disney Springs. Family trips were a MUST for her where she took endless photos. Her passions were her family and her friends. Idelle made everyone feel like they were the center of the world. Her love, her smile, and her energy were infectious.

She is survived by her husband of 34 years Fernando Rodriguez and her two children Alejandro Rodriguez, Ayshka Rodriguez-Castro, and her son-in-law Jonathan Castro. Her mother Carmen Margarita Martinez, her siblings Ilka Suda (husband Anthony Suda), Ingrid Rodriguez (husband Dennis Rodrigues), Ixia Helmueller (husband Matt Helmueller) and Ivan Velez (wife Rosy Santillan). Her nephews and nieces Anthony John Suda, Dylan Suda, Alia Cardona and Naia Cardona. She was a great friend to many and a loving mother to those who needed one.

She is preceded in death by her father Roberto Velez Colon, her cousin Lydia Sanchez, and her paternal grandparents Confessor y Maria Velez and her maternal grandparents Angel y Lydia Martinez.

She left this Earth too soon, but we will honor her by living our best lives the way that she

did. Smiling. Living. Laughing. Loving. Each and everyone.

“ I am so blessed to have met Idelle at a training in 2014. She became a part of our family. Whenever we vacationed in Florida, she would always make time for us and visit us at Disney World. She loved my grandson Brenden and said to me many times "don't tell your daughter, but he's mine." They had a special bond. Brenden said to me, "Nana, our trips won't be the same now. It's like a dream...you don't want it to be true." I found this quote I would like to share "It's amazing how little time is needed, to make the most beautiful things happen". Our friendship was cut short, but it was a beautiful thing while it lasted. Idelle, you will forever be in our hearts and we will carry the wonderful memories of our times together. Much love and blessings to all her family and friends.

“ We were in Florida the last of March visiting with Idelle. My wife and I flew into St. Augustine to spend time with her. Everytime we came to Florida Idelle would stay with us in Kissimmee or we would go see her in St. Augustine. She was a special spirit sent to us to bring joy to us all. We all ended up in Kissimmee in March since we could only get a flight home from there. We spent 1 day at Epcot and I loved sharing all of the different foods we tried at the flower and garden show. I will miss her deeply she would do anything for everyone even if she didn't know them, she'd always would say hi to a cast member and say their name from their name tag. While we were in Kissimmee we all wanted to see some resorts and Idelle talked a guard into letting us park and walk around. As we left she had bought a water bottle for that guard and that was Idelle's kind spirit.
