“ Tom, Patty, and Tommy, I am so so sorry for the loss of James. I have wonderful memories of seeing you and the boys in the neighborhood when we all lived in the River Farms townhouses. I always loved seeing Tommy and James at Halloween when you came trick-or-treating to my door and bike around the neighborhood. This sad news is hard to grasp and my heart is broken for you.

“ I feel like I have known James since he was a little boy because Patty has shared photos of him and his many activities over the years. I am so terribly sorry that he was not able to share his many talents and bright smile with the world beyond this young age.
