She is also survived by her siblings Alicia Strayer (David) and John Kemp (Andrea). She has joined her mother and father, Betty and William Chattaway, as well as her two brothers Wesley Stringfellow and Jeffrey Stringfellow in heaven. She also leaves behind her bestfriend since 8th grade, Susie Sullivan and her beloved dog Beauregard. Born in Cambridge, OH, Patti moved with her family to Jacksonville Beach as a young child. Throughout her years, she attended St. Paul's Catholic Church, Beaches Vineyard Church, and Beach Church, where she was an active volunteer. She also volunteered her time with 19th St Charities, The Humane Society, and Habitat for Humanity.

She was a true beach girl, who you could find early mornings walking her dog at Hanna Park and searching for shark's teeth. Some of her coastal loves included surf fishing, scuba diving, and Sunday Fundays spent hanging with family and friends either at the beach or by the pool.

A service will be held at Beach Church, 325 7th Ave N., Jacksonville Beach, FL 32250, in the brown stone chapel on June 15th at 11:00 am. If you wish, donations may be made to The Jacksonville Humane Society or St. Jude's Children's Hospital.

“ Patti taught me a lot about God and service...she was inspirational and ALWAYS gave from her heart...which was huge...she touched so many lives and those lives don't even realize it, because she always chose to work in the shadows (so to speak) and give all the glory to God....what a special person....one of two who set my feet pointing the right direction on the path of Christ....you will be missed Patti....God bless all her family and friends....support is everywhere if you need it....

“ Where do I begin. Patti was one of my most treasured first cousins. Although she was 4 years older, she still had a big impact in my life. As a small child I truly looked up to her over the years. Patti was always so beautiful inside and out. She had such a kind loving soul. Her gorgeous smile and beauty never went unnoticed. Most of all she carried herself with class. I have some great memories. One of which was when was 16 her and David took me water skiing. They both were so patient as I learned how to ski for the first time. I know one thing for certain, heaven has gained a true Angel. My heart goes out to her sister and brother and her children and grandchildren. I know we were only cousins but she always felt like a big sister and for sure a life long friend. Distance and time never mattered. Fly high Patti, until we meet again. Love your cousin Sherry (Ohio). Jax Bch will never be the same without you. I am wiping the tears now as I make the drive for your services.
