“ Dear Uncle Stanley , . I'm happy your with Aunt Doris,yet sad because I miss you.

You were a good uncle,(wow didn't know you loved county and Dolly Parton too !)

I remember you driving Grandpa and me to have dinner with you,Aunt Doris,and my awesome cousins I called Bernie and Eddy. You played wonderful music on the record player,like Man of la Mancha. After having a feast of meat,salads,breads and dessert Aunt Doris so carefully prepared! We sat at the kids table,and it was so fun talking about kid stuff with my cousin's. Then we got to play with the Lionel train and other things. I wanted to stay forever! I learned how to cut a cucumber 🍆 into flowers from aunt. You bought me a wonderful new bike with the " banana" seat. You were a good example to me growing up. Some things I didn't understand till years later, raising my own children!

I'm proud of you and having those memories live on,in me and sharing your stories. Some day we will all be together at the adult table! Zei Gezunts Uncle. It's a blessing to do Mitvahs (good deeds) in both your name's. ☐

Love always and forever your niece Diana
