“ I'm just so greatly honored to have had the pleasure of having Scott in my life & in my families life. He loved my Son & treated him as if he was his own & for that I thank him. Scott showed me that there is life after divorce, that there is life after the tragic loss of a beautiful kind loving spouse that you feel you can't live without but know you have no choice. He lived his life doing what he loved & trying to make others see the good in life. He was truly ONE-OF-A-KIND & I can honestly say that I LOVED HIM with every fiber of my being & I know for a fact that he loved me just as much & there's not a person on this earth that could ever make me feel otherwise. Everyday of my life I think of him & I will until the day I die. I've never had the pleasure of having a man treat me the way Scott did & as far as I'm concerned my heart is closed, it died with Scott. It's been nearly a year now & it still hurts like it was yesterday. I still cry like it was yesterday. I still feel him next to me like it was yesterday I'LL NEVER EVER LOVE ANOTHER I MISS YOU MY LOVE
