“ Oh Adam, my prayers go with you on your journey. I will always remember the little boy that grew up with me. I remember how you almost hung your self in your crib and gave me a heart attack. Then you swallowed a quarter, and learned what Sally clean meant. You and your family are so much a part of mine, Sonny's and Brittani life. Britty's and my prayer go out to your Mom Dad and Allie. Rest in peace Adam you will be missed but always loved.

Miss Sally - December 02, 2024 at 03:16 PM

Debi , Mike and Allie my thoughts and prayers go out to you . May God grant you strength , comfort and peace during this difficult time . Adam you were my only nephew and you will always have a special place in my heart . Your smile lit up a room when you entered it . There are so many stories of things you did . I remember that \$ 100,000.00 quarter you swallowed and had to have removed . I remember the time the grill blew up in your face and you showered before you called 911 for your burns . My last memory was being in St. Augustine last year and all of us having lunch together at that restaurant on the water . My love goes with you on this eternal journey you are on . You will be missed but but never forgotten .
