I was so sorry to hear about Alberta....didn't know until a good while afterwards. We were close in high school and we remained friends over the years. I'm so glad that we got a chance to catch up at our last KHS/SAHS reunion. My condolences to Albert and Nangy and all the family!

“ Ms Alberta was like a second mom to me growing up. So many good memories. All of the neighborhood kids playing football or baseball in her front yard, spending the night with Rhonda, loading up the truck with us kids going to the beach. My heart is broken but you have peace now. My prayers to all the family for comfort and peace.

“ Mrs. Alberta was such a sweet woman! During my one and only year at Mill Creek, she took reminder her wind and also gave me a ride to town one day a week for piano lessons. I just remember her being such a fun and loving person. Then during my early teenage years, I enjoyed being at her house so much. Prayers for peace and comfort for Gregg, Bobby, and the Van Kirk family.

“ Mrs. Griggs was my kindergarten teachers aide at Mill Creek. She was always so nice. Later in life we reconnected when she became a patient at a doctor's office I worked at. She gave me the biggest hug and talked my ear off every time she came in. She always left telling me she loved me and all her students. She even brought in a picture of me she had taken at Mill Creek. She will be deeply missed. Prayers for the family ❤️
