“ My Dad was a very good man who took care of his family. He had many battles he fought through for our family and never gave up. He raised us as children while my Mom worked. My Mom would call him Mr. Mom because he was our Mom to us as well when my Mother was working. He had the funniest sense of humor and loved to laugh. He would make up silly songs and names for us and was very good at making rhymes. He had a very big heart and was very giving to us. Since he couldn't go out and do shopping for gifts for a long time he would always order us gifts from the TV. He loved holidays and just wanted to spend them with us as a whole family. His favorite holiday was Christmas and he loved to have the house decorated with all the beautiful Christmas decorations. As a child I always wanted to be with my Dad and wanted to go everywhere he went. My Dad was the heart to our family and held us all together. I am a lot like my Dad in many different ways. I want my Dad to know how much we all loved him and will miss him so much. I love you always Daddy, Your little baby girl, Sarah Jane Potumus
