“ Living in the community know as Roosevelt Village many years ago a couple house down from the Cauthen's home and Dupree's home. Watching two family's join together. Riding my bike in the community stopping by their homes as a young boy. Riding to the markets near by for newspapers or sodas. Seeing the neighbors out in their yards working on their flower beds or gardens, Reminds me of the good times back then in the Roosevelt Village. Wanting to send our condolences the Cauthen and Dupree Family May God Bless these two Family's at their time of need.
