“ *I will always remember when Cheryl and Alyssa came to my home to care for me and my four little kiddos. I was very sick at a time when my husband was out of the country. I made one phone call and Cheryl and Alyssa were in a car headed our way. I remember her polite "Yes Ma'ams", her generosity, her smile, and her desire to help others in need. Our prayers are with all of you. We pray you find the comfort and peace that God can provide.*

“ Dearest Cheryl, Mary, George and all family members, I am so very sorry for the loss of your most beautiful and precious daughter. There are no words of true comfort. The loss of a child is the most excruciating pain a person can experience. I lost my son suddenly when he was 29 years old and I know there are no words of comfort. Only remembering the wonderful, fun times and faith that he was back home with our Father. And only time will help you see that. The full strength, love and prayers of the ladies auxiliary post #2391 are with you and if we can do anything, please let us know.
