“ Life is a journey, not a destination and it is not hindered by the loss of our physical bodies. The journey continues and we will meet again, along the way.

“ I am truly sorry for your loss. I worked with Andrea at Hastings Mutual for a number of years. My memories of Andrea are of a fellow worker very dedicated to getting the job done. Once she set her mind towards a goal - very little could stand in the way. I am not sure why these things happen to people so young. Wouldnt it be nice if we could find a way to beat all cancers. Andrea is now at rest and we are all left with memories of a friend and fellow worker - she will be missed by all.

“ Andrea was a dear friend and we will miss her so much. She was truly an inspiration to my family and our friendship began over 26 years ago. Im grateful that the Lord joined our paths and that our season of friendship sustained throughout the years. Most of all I am so grateful that she accepted Jesus Christ as her Lord and Savior. She is now by his side. Love and Peace to her family and friends.
