

## Anne Louise O'Donnell

November 21, 1938 - September 12, 2021

On Sunday, September 12, 2021, Anne O'Donnell passed from the joys and challenges in this life to her eternal home. She is now with her heavenly Father and her faithful friend, Jesus. She is reunited with her loving parents, Lida Killory and her father, John Killory of Wollaston, Massachusetts as well as her children's father, John Quinn.

Anne leaves behind family, friends and former coworkers nationwide. All have experienced her warm smiles, delightful laughter, generous hospitality and loving kindness.

Anne's surviving family includes her daughter, Judy Spiegel, her son Ryan Thomas, her husband George, their son Frank, wife Katelyn and daughter Quinlyn, daughter Martha, son Thomas and wife Ashley; daughter Elayne and husband Rick Brigham; son John Patrick Quinn, wife Ornella, their sons John and Patrick; daughter Maureen and husband John Boda.

She also leaves her niece Roxanne Anderson and her children, her sister Ardelle Sweeney and several of her children and grandchildren, all of whom Anne adored. It thrilled Anne to become godmother to her niece Maura Lindberg. Many people, including Anne's "adopted family," the Cooneys, will identify with Maura's sentiment regarding her devotion: "I want you to know, wherever I go you will be known as the godmother who never missed a

Christmas and never missed a birthday. I love you!”

Anne was passionate about hosting Christmas for her family, who traveled long distances to be with her. She was also a die-hard Tom Brady fan and never missed a game. She was delightfully consoled when Brady left the Patriots and moved to her home state of Florida to join the Tampa Bay Buccaneers!

Anne worked tirelessly to gain skills and advance her position moving up from a waitress to secretary, to a professional trainer for Xerox digital printing presses. It was her coworkers, Barbara Richards, Lynn Winters, Carol Westerman, Tom Cook and many others, who kept her in the game. Her successful career culminated when she became one of the three event marketing managers for Xerox until she retired.

She loved her family, the beach, her home, and music. She treasured her garden of family and friends as well as the beautiful gardens she maintained all around her home. She would gladly pause to visit with friendly neighbors who happened by.

Anne made an indelible mark on so many people. She will be deeply missed and always remembered.

“ So sad to hear of Aunt Anne’s passing. I always had a good laugh when I spent time with her. She was so good with crafts that I still have the bookends she made for us about 50 years ago now. My family sends loving condolences to my Quinn cousins.

“ A beautiful woman, who shined so brightly and her memory still is such a wonderful joyous presence. She was the most amazing person that I've ever had the honor of knowing and was proud to call her, my Grannie Annie as well. I will miss you and love you so much, until we meet again. Love, Ashley
