“ *I will miss you beyond any words I could write. Only God knows the love between a mother and child and how deep it is. You have been my inspiration, my best friend, teacher and Mother among many other things. I can never replace that bond we had but I hope through what you've taught me that I can teach my children to be, so loving and gentle as you were. Give my other Inspiration (Dad) a great big hug and kiss for me. And finally be at peace. You and Dad couldn't have done a better job being parents to us. Till we meet again, I Love You Mom*”

“ She was like a mother to me growing up. We had our special talks and I loved her dearly. She was my god-mother for my Confirmation and even made my beautiful dress. She's with my mom now who was her dear friend...and all her friends from Clover Court... and of course the love of her life...Len... whom I loved so! We used to sit and talk for hours... go swimming in their beautiful pool... and he made me the best girlie drinks ever! Until we meet again...I love you Anne.
