“ *Annette was a great friend and helped me when I was learning to sew. She loved to embroider, hook rugs and alter clothes too. She was always interested in her family history. I shall miss her.* ”

*I worked with Annette at MCB about 1988  
She was fun and we had alot of laughs  
We also went out for dinner once per month with her sister Donna and friend Eugenia . Once per month we would Ave a turn picking out a place for dinner then go to each others house for dessert  
Donna and Annettt introduced me to the the Dimp Cake dessert, which to this day I still make with variations.  
Thanks for the good times Annette and God Bless 💕🌸*
