Cathy, Jimmy and Ted, I am so sorry about the passing of mom. I am so happy Caitlyn and I were able to spend time with her when we visited last. She was a lovely person and a great grandmother to my children. She will be missed dearly by all! Cathy you did a great job caring for your mom, she was very lucky to have both you and Ted during those trying times. May the memories you both shared help you to get through this difficult time.

I wish that we could be there to help you, and to give you a big hug!!

*Much love,
Christine*

Cathy and Jimmy, I am very sorry for the loss of your mom. She was a sweet and caring woman and I know you will miss her every day. Cathy, she was blessed to be with you and Ted, I am sure you made sure her days were happy ones. 🙏❤️🙏

Brandon, Joey and Caitlyn, I know how much your Mema meant to you and how much you will all miss her. But if you look, if you are still, you will see her and hear her, for she is never far away. I do not doubt for a minute that she is thrilled to see your dad again and they are having a wonderful time catching up. Another angel to watch over you all...❤️❤�

I smile as I look at this photo of my Auntie Arlene. I don't think I ever saw her without her trademark red lipstick. She was a lovely woman, soft spoken, and kind to all, but especially to children. So many memories of all the good times I spent with Auntie Arlene, Uncle Freddy, Jimmy, Cathy and Gary, growing up. Walking to the Milford beach with all its horseshoe crabs, the backyard roller coaster, Sunday afternoon visits and suppers, cousin sleepovers, all those Memorial Day, July 4th and Labor Day picnics with all the cousins. All the adults inside playing cards while all the cousins were outside getting into mischief! No family gathering was complete without her famous eggplant Parmesan. Love to you Cathy -- she couldn't have asked for a better daughter -- and to Jimmy.
