

Arthur L. Balestrieri

February 7, 1951 - September 12, 2021

Arthur L. Balestrieri passed peacefully at his home in St. Augustine, Florida on September 12, 2021, after a short, but very tough battle with cancer. Arthur was born in Massachusetts, on February 7, 1951, and was preceded in death by his parents Arthur and Ruth Balestrieri. Moving to Florida with his wife Jan in 1977, he continued his work as a master craftsman, building numerous homes and condos in St. Augustine. Arthur was also part of the construction team at Epcot Center in Orlando, working on "Japan" and "Communicore", the huge earth pavilion. He also built luxury yachts for Luhrs Corporation for more than 15 years. Arthur could figure out and fix anything and had a reputation of having "9" lives. Arthur will be sadly missed by all of his family and friends.

Arthur is survived by his wife of 44 years Janice; daughter Cori and her husband, James Niles; his son Thomas and soon to be wife Morgan Dashiell; his beloved grandchildren, Jordan Champion and Anthony Niles; his sister Carol Savage; 4 nieces and several grandnieces and nephews.

At Arthur's request his ashes will be scattered at sea in a private ceremony at a later date. Arthur insisted he did not want a "funeral", but instead a celebration of life. The family will hold a celebration of his life, on Saturday, September 18, from 11 am-3 pm, at 111 Bonita Road, St. Augustine South.

If attending, the family ask that you PLEASE use Covid 19 common sense.

St Johns Family Funeral Home and Crematory is in charge of services.
