Arthur Shomer May 10, 1941 - May 26, 2018 Birthplace: Poland

Unforgettable Arthur Shomer was a man full of courage. He lived a life led by an unwavering nerve to persevere. He colored his world and the lives of those around him with a sharp wit, that even if it stung held faithfully to truth. Arthur was a loving man, a family man whose word was his bond. He was kind, hardworking, and efficient. He bore responsibility gracefully as if he were always meant to carry it. He oozed of wisdom and never fell short of kindness. He was a friend to so many. Arthur left our world on the wings of angels on Saturday, May 26, 2018. He was surrounded by my love and the love of our girls Ivy and Metoo during his final days on Earth. Arthur did not want a funeral or a memorial. He wanted only the company of his family and friends so that he could let them know he was ready to leave this world. Arthur was alright. His only concern was that we not be sad. He was not afraid. Many years ago, Arthur said something I did not then understand: "I won't feel sorry for myself when I die, I only feel sorry for the world." Oh! How this makes such perfect sense now. Arthur gave until his last breath. Arthur is survived by his wife, Susan Shomer; children , Nirah Shomer-Kovac (Mike), Oren Shomer (Paula); stepson, John Machado (Lissette); stepdaughter, Claudia Kenny (Robert); grandchildren, Christopher Machado, Samantha Machado, Brady Kenny, Lilliana Kenny; and sister, Bella Singer Cohen. When God pushes you

to the edge, trust Him fully, because only two things can happen. Either He will catch you when you fall or He will teach you how to fly. (UNKNOWN)
