“ Ashley Turner was my sister , and maybe messed up a few times but ..so does everyone else. And her heart was in n the right spot most of the time. You left me ..and then TJ left me days after ur birthday .. I still have night terrors and flash backs. But I'm hoping it gets easier it I learn to cope with it better. U know I think of these things all the time /.. I just don't wanna feel anymore. ..ugh. “ I remember when our kids were little and they found a can of blue paint. Let's say we had our own little smurfette.
