“ *Russ and I are blessed to have known Barbara as she served our Lord Jesus Christ in France. What a life! We celebrate her life and all the lives she touched. Bill, you have had an amazing partner to share ministry with and to be your helper in the journey. We are sure that l'Eglise des Trois Villages misses her tremendously.*

“ As a former TEAM-France missionary, I had the great privilege of knowing Bill and Bobbie, as we called her, from the time they arrived as new missionaries in France. And my last three years before retirement were spent serving with them in the church at Montigny. Barbara was such a great friend and colleague. I often enjoyed her wonderful meals and got to admire her quilting. I treasure a Huguenot cross wall hanging she made for me. But most of all I treasure the memory of her love for our Lord and her love for others! May God console Bill and all her family members that now have to adjust to her absence in their lives. Praying for you!

“ Hugs to you and the boys, from the house where you and Bobbie were newlyweds. The surroundings are as lovely as ever - and there are still plenty of the bugs that she hated, though for us they bring a smile and fond memories of her. Gene and Lois

“ There are so many memories from our growing up years that it would not be possible to put them all down. We were friends from 3rd grade on and had great times in our neighborhood. I was so happy when Bobbie came to our Youth Ranch and trusted Christ. She took off and never looked back. Praise God for her life. Love to all. LaFaye Brittain

“ When Barbara and Bill moved into our neighborhood, what a delightful couple.

Barbara was such a lovely lady friendly, caring, she became a wonderful neighbor. My dog Riley just loved to go visit them as soon as she heard Barbara or Bills voice she would take off for there house. Barbara would let her into the house to visit Bentley there cat, Riley would go running around the house and Bentley running right behind her. We just laugh so hard.

Barbara loved her cat, but when it came to her grandsons, her heart just filled with love. She would always take about them.

Bill and family, thank you for giving us the pleasure of knowing her, what a grand lady. Our hearts too will miss her smiling face.

“ I first saw Barbara when I was doing some gardening on my front lawn. She was pushing a stroller and she came up and said “Hi” in that cheery, sunny way she had.
I looked into the stroller expecting to see a baby and saw a beautiful cat named Bentley! Barbara laughed at my surprise and after a short chat, she was off down the street.
We claimed her as our friend from that day on.
Last Christmas time we heard the doorbell ring and found Barbara had made us a beautiful gift. She was someone who could take anything and create something beautiful from it.
I did not want to take the gift she made for us down after Christmas as I thought it is so lovely so it is still hanging on our wall and I think of her whenever I see it.
We are grateful for the time we knew her.
We will miss her.
