“ Once I went with Laura and Aimee to visit Cindy. (Laura and Aimee called their aunt, Aunt Bo...so I did too). Aunt Bo was sitting in the living room when we walked in. Her dog a German Short Hair was near her. She promised he/she wouldn't hurt me. I went over and said Hi Aunt Bo and began to give her a hug when the dog bite me right on my elbow. Aunt Bo said he/she never does that. That must be his/her kiss to you. We all laughed and our fun began. It was always fun visiting Cindy.
Love you all. You were blessed having a great mom!!!! God bless always.
