

Barbara A Ravoli

June 18, 1941 - September 28, 2024

It is with profound sadness that we announce the passing of Barbara Ravoli on September 28, 2024. A beloved wife, mother, grandmother, great-grandmother, aunt and friend, Barbara was born on June 18, 1941, in New York, where she spent most of her life until moving to St Augustine with her husband, Carl, in 2000.

Barbara and Carl were married in 1961. Their bond grew stronger over their 63 years of marriage. Even when facing health challenges, their love never wavered, and their closeness never changed. Many times, no words were needed—they found comfort in simply sharing each other's company in silence, a beautiful testament to their lifelong connection. Together, they enjoyed simple pleasures like watching game shows and having family members visit, creating countless memories.

Barbara was known for her candor and sharp sense of humor. In her younger years,

Barbara worked in a retail store and shared her passion for fitness by teaching exercise

classes. She was a unique and strong woman, living life with grace and determination.

Over the past seven years, she bravely battled multiple illnesses, her strong will shining

through until cancer became too much and she was called home.

Carl's love for Barbara was as deep as hers for him. He often boasted proudly about his

super-smart wife, especially her remarkable achievements of being an "A" student in the

Bronx High School of Science and getting a scholarship to college — significant

accomplishments.

Barbara leaves behind a family filled with love and a wealth of memories, each uniquely

reflecting her spirit. All of these memories are cherished and appreciated for the joy

and lessons they brought.
