“ Dear Hilary, Gregory, and Jeremy,

I'm so sorry to hear of Barbara's passing. She and I shared a common passion for vintage fashion. Many years ago she would encourage me to come to The Way We Were and play dress up. These are days that I remember so fondly. Barbara had a kind and gentle spirit. She was a comfort to be with.

I'm sending love and prayers. You took good care of her and she loved you dearly. May her dear soul be united with Ms. Mary.

*Sincerely,
LaRae Long*

Thank you so much LaRae for your kind words. Your kindness and compassion matched hers and she loved you dearly. I clearly remember how excited she would get when you would come to the shop and she would exclaim how you were the perfect size for the vintage clothing that she adored. What a pleasure it was to bump into the other day after so long. We both enjoyed seeing you 💕💕

*Warm hugs to you,
Hilary and family*
