“ I don't remember a time when we saw Uncle Barry that he wasn't smiling. And he just had a way about him that with a quick witted statement, he would make you laugh. I'm so grateful for our shared time breaking bread and spending time with all of you.our thoughts and prayers are with you all as life moves forward and leaves us with treasured memories

I am very proud of my younger brother Barry. Barry was very special. He was an Army vet and retired police officer. Barry and wife (sister-in-law) Janis raised three wonderful children. He always had a smile and great sense of humor. You felt special when you were around him - he had a way of making each person feel important. He was a terrific and caring father. Barry was a good person. I loved my brother - may he rest in peace in a special place in heaven. Love, brother Richard
