

Beverly Cooley

February 22, 1956 - April 27, 2020

Beverly Lee Crisp Cooley, “Boo Boo” 64, of St. Augustine, passed away on April 27, 2020 at Kindred Hospital in Green Cove Springs. Beverly was born on Wednesday February 22, 1956 one of the twins born to Raymond Jr. and Bettie Crisp. Beverly was born at the hospital in Portsmouth, Ohio, but when asked where she was from, she would only claim South Shore, Kentucky where she was raised. After moving many places, Beverly’s family settled in St. Augustine in 1964. In 1978 Beverly attended St. Augustine Technical Center where she got her Cosmetology license, she then worked at JC Penny’s as a Beautician, later she worked at Kmart where she made some lifelong friends. For many years she was a stay at home mother, but when faced with the passing of her husband Kevin in 1993, she then became a single mother of her two girls, working many years at Tensolite, where she developed many close friendships. Beverly loved her Ford F-150 trucks, driving on the Point at Vilano Beach, was a very hard worker and enjoyed caring for people and this is where she found the love of working as a CNA. She was very artistic and loved drawing and oil painting. Beverly was just a good ol gal who called people Darlin’, loved to joke, had a smile that was contagious and even when she was fighting her own battles she was trying to help and comfort everyone around her.

Beverly was a devoted mother, who always put her kids first and dedicated grandmother who is survived by her daughters, Corinne Fuller (Markell, Sr.),

Chelsey Santana (Alberto); grandchildren, Markell, Jr., Nala, Amina, Niko, McKenzie, Aria, Cyrenity, Angel and Ayanna; Brother; Raymond Crisp III; Sisters; Elaine Bohanan (Twin), Robbin Smith, Marloe Crisp and many nephews and nieces.

A memorial service will be held at a later date at The Riverview Club.

St. Johns Family Funeral Home is in charge of arrangements.

“ Mom, there are no words to even began to explain the whole that is left in my heart, the empty feeling I feel in life without you. You was the best mother and did whatever you had to in order to give me and Chels the best lives you could when we was little. You always showed us how strong you was and never took no for a answer for anything, you taught us to never give up and if we wanted something to claim it. The strength you showed me through the years you have instilled into me and I will pass that onto my kids. I have always looked up to you, I have always been proud of you. Even through your own struggles for the last 2 years you have fault so hard even to your very last breath and for this I am will forever know you did your very best to stay on this earth for me Chelsey and all of your sweet grandbabies. Fly high my Butterfly, I wish you could tell me about your new beautiful life in heaven and what all I got to look forward too. Until we meet again I love you more then life itself (as you always said) and I know you are and always will be with me. Tell daddy, me-maw, poppy and Nonie I love them and to not have too much fun up there in glory. Mwa Mwa lu <3

“ *Beverly always had a smile no matter the circumstances. Her love for her family and the Lord was first priority.*

She made her friends feel like family and never left you without a big hug and an I love you.

We will miss our own Angel on earth most definitely, but knowing shes home with Kevin and her parents makes me smile and fills my heart with joy.

Please keep her girls and lil ones in your thoughts and prayers as they pass thru this time of loss.

Much Love to this family.

Teresa Barlow :)
