

Bonny Sue Andrews

September 17, 1946 - December 15, 2022

Bonny Sue (McGuirt) Andrews, of St. John's County passed away peacefully surrounded by her family on December 15, 2022, in St. Augustine, Florida. Bonny was born in Palm Beach, Florida and was beloved by her parents Bernice Eva Russell and James "Jaycee" Clyde.

She graduated from Southwest Miami High School in 1964. In 1973 she met her future husband Captain George Matthew Andrews, a pilot with Eastern Airlines for over 26 years and a business owner for over 45 years. Bonny and George were married at St. Sophia Greek Orthodox Church by Father Demosthenes J. Mekras on July 31, 1980, in Miami, Florida.

The couple traveled to many wonderful places such as London, Jamaica, Puerto Rico, and Mexico City. The family enjoyed going to New York City for Christmas time. They had wonderful stays at the Plaza and Waldorf Astoria, skating at Rockefeller Center, and seeing the Radio City Rockettes and many Broadway shows.

George and Bonny owned one of the oldest restaurants in South Miami called Fox's Sherron Inn. For the holidays, Bonny spent numerous hours decorating the entire restaurant and while people would enjoy their dinner and cocktails, they couldn't believe how beautiful the restaurant was and made them more in love with the establishment and even more, it put them into the Christmas spirit.

She also had a great eye for interior decorating and enjoyed remodeling her house and condo throughout the years.

Bonny had a one-of-a-kind sense of humor and was such a joy to be around. She was the type of woman that whenever she entered the room, all eyes were on her.

She was very involved with helping charities and foundations. One of her favorites is Joe DiMaggo's Childrens Hospital.

More than anything she was a wonderful wife, mother, daughter, sister, and friend. She will be deeply missed by those who knew and loved her. She was always a person who put others needs before her own and always took care of her family. She was always there for every tennis match, baseball game, football game, and basketball game. She was our biggest cheerleader.

She is treasured by her George, daughters, Karri, Evangeline, and Alexis, her son "Sonny boy" Matthew, grandchildren, Jason James, Matthew George Jr., and August James.

Per her request, a private event will be held with her family to scatter her ashes. If you would like to donate on behalf of Bonny, please donate to her favorite charity Joe DiMaggio Children's Hospital.

“ I will always be grateful for the kindness and hospitality you showed me. Welcoming me into your home and family meant more than anything. Watching football games and discussing your love for Patrick Mahomes was a trip, and entertaining to listen to. I’m sorry you’re gone. You will be missed by your family and those who knew you most. I hope you’re at peace and in a better place.

“ My Dearest Mom,
There’s are not enough words to convey how much you meant to me. You helped me become a social butterfly when I was your “hermit crab”. You were always there for me when I needed you. You knew in the heart of hearts even when I didn’t say it; I needed to talk. You always worried about us kids, always. I will always be your baby, as Catherine would put it “baby cakes”. I’m so happy you get to be with Catherine. I’m jealous of all the wonderful angels you have surrounding you. I went looking through our messages to each other and you wrote “Babe you were such a sweet little baby girl, you were our doll”. You gave me such reassurance that I am doing everything for our baby boy August James and how much you loved Don and adored him. We all adored you and I will think of you everyday Mom. We will be together one day slow dancing to The Clovers “Devil or Angel” and having each other to kiss and hold. 💙
💚💛

“ My mother, my heart, part of my soul, you left us too early. You’ve loved me as long as I’ve lived, but I’ve loved you my whole life. You have always made me feel like I’m special. Everyday you instilled that upon me, and you did it so much that I started to believe it. Some of our last moments together you were telling everyone that I did everything right in my life. Everything I am is because of you. How you loved me, how you adored me. You taught me to fight for everything. We shared so many blood, sweat , and tears together. You made sure I had everything I needed. I will miss you everyday and I will hold you close to my heart and I know you’ll be by my side in everything I continue to do. Rest easy Mom and I will see you again and when I do, I will never let you go and I will finally have a piece of my heart back. I love you with everything I’ve got. It’s time for you to be with your Mommy and Daddy.
