“ My condolences for your loss. May you find comfort in the Bible's promise of the resurrection (Acts 24:15; Revelation 21:3,4). The God of the Bible promises that soon, sickness and death will be eliminated (Isaiah 33:24 & 25:8).

“ I am very sorry for your loss. It can be hard for friends and family to find the right words to express at a time like this. Thankfully, we can echo the comforting words that we read in the Bible. At Revelation 21:4 it tells us that the God of all comfort will soon do away with all suffering, sickness, tears, and death. Along with that, and what we read at John 5: 28, 29 we have a solid hope for the future. Until then, may your loving memories bring you relief during this difficult time.

“ I Believe in Angels and I believe there is a new Angel in Heaven named Brenda. I pray it brings comfort. I believe Angels can sense when we need them, they will always be there. They come unseen from Heaven, to help and give us comfort. I've seen in all of Brenda struggles she found her strength, God's Grace and his Mercy. Now she's home in Heaven, singing and dancing wanting us to know that she is ok and that better things are yet to come, so count your blessings, value your family and friends. And remember life is about learning to connect with souls and the beauty of it is that once we connect there is a bond that becomes eternal. I know Brenda sends Big Love and Peace to us all. I thank God that he allowed our paths to cross and she will always have a piece of my heart. I love you, my Sister in Christ, Big Love and Peace out, Lynnmarie
