“ Brian, It has taken me over a year to even say the words you are gone. I will always remember us fighting as kids and even as we aged to our 20s and 30s I will forever miss you. RIP my friend

“ Although I only meet Brian he had a great impact on my life. He loved his children and family more than anyone I've ever meet. I cannot imagine the pain you feel as much as I've felt only knowing him a short while. He treasured every moment he would spend with his kids.
