“ Karen, I stay so far out of the loop these days it is hard to imagine how much I miss in my friends lives. I am so sorry to hear about Burt. I know your pain is horrible right now, but hang on, it is often darkest just before dawn. Sharon

“ Karen, I know what you are going through and I am so sorry. In a way I find a strange comfort in knowing that if we had to lose Burt and Bob that they went together and their obits are side by side. This is a very sad and stressful time and I just want to offer my condolences and a hug and the comfort that you and I are not alone in our grief and they are together on the other side. God Bless you Karen. Pamela Adair
