“ I enjoy sharing an encouraging thought with those who have lost a loved one in death. I was truly sorry to hear of the loss of Calvin. Please accept my sincere condolences. Death is never an easy experience to go through. Words fail to adequately express the feelings of pain and sorrow that is experienced when you lose someone you love in death. However, Jesus Christ gives us a hope of things changing found at John 5:28, 29. Soon, you can have the hope of seeing Calvin again. I hope that you find this to be of solace during this difficult time. For more information, please, feel free to visit [www.jw.org](http://www.jw.org).
