“ What sad and shocking news to hear when coming back to the office this morning from vacation. Ms Lita was a wonderful person who would go that extra mile for anyone. I am so glad that I brought my girls by for a "visit" during the summer to show her how much they have grown up since they left BOALA. They will be truly sad when I have to tell them of this loss. She was a "mom" to everyone. She will be greatly missed by all that knew her...but we will see you again one day Ms. Lita. The Wittmeyer Family

“ Lita was a piece of sunshine at the beginning & end of every day. She made each child feel special & loved, regardless of what was going on around her. My 22 yr old son, Ryan, only went one yr (3rd grade) at BOALA, yet Lita made such an impression on him that he would go & visit her when he was home on leave & she was always excited to see him. The world is a better place having had Lita Bass in it. My deepest condolences & prayers go out to Johnny and the rest of the family.

“ *From the first time we met Lita, to the time she excitedly called, letting us know that BOALA had a spot for Caitlyn, to every time we interacted last year, Lita showed us nothing but kindness. She helped us in so many ways, often going above & beyond--and always doing so with a positive attitude. Truly, she was an angel on earth, and, although we only knew her for one year, we are thankful for that year. Our sincerest condolences go out to Lita's family and friends.*

“ There are simply not enough words to express the sense of loss our family feels with the passing of Ms. Bass. Since 2000, Ms. Bass greeted us daily with a smile that would set the stage for the remainder of the day. She genuinely loved, guided and protected every one of our children as if they were her own. She was truly an asset to BOALA but mostly an angel to everyone who was in contact with her. Certainly, she has left an indelible mark in our hearts. May she rest in peach and her family find comfort in knowing how special she was. Sincerely, The Lopez Family (Frank, Suly, Marco & Sofia)
