Carole Agnes Trexler

July 13, 1939-January 28, 2021

Vibrant, determined, hardworking, fun-loving, beautiful, and always classy. Carole was easy to love. Anyone that knew her knows that to be true.

She helped raise her two brothers, Dennis and Rick; she loved them dearly and had many fond memories with them.

When she wasn't busy caring for her family, she was known to give the nuns at school a challenge at times. When she worked at the Catholic hospital as an aide, she would sneak out during her shift every now and again to go to the dance hall. Carole loved socializing and having fun.

She raised three boys who have her same spirit for life. They learned many important life lessons from her, loved her deeply, and will miss her dearly. Her grandchildren also adored her and appreciated her grit and all the wisdom she shared about the importance of work ethic and personal accountability.

Carole did have an amazing work ethic. Her most treasured job was working with the Super 8 Motel. She soared there, eventually becoming the regional sales manager where she earned many accolades for her hard work and

dedication. She was deservingly proud of her accomplishments.

She was an accomplished piano player. Although she was shy about performing for family, she was known to play for a crowd at The Pewter Mug surrounded by her friends.

Carole was a devoted friend to many, especially to her dear friends, Carol and Beverly who are also heavyhearted in her passing, but are truly grateful for the special memories of their time together. Those ladies knew how to have fun!

In her memory, Carole would want all of us to continue to enjoy life to its fullest. Make each new day a day for family, friends, and adventure. Make each day count. Make each day classy. We love you, Carole.

Carole touched my life in personable ways which most people may not know. I experienced a very tumultuous divorce. Carole realized and knew my pain. She encouraged me to remain strong. As far as the hospitality industry... I have 15 years or non- management experience. To know the industry from that perspective... Carole taking a leadership role deserves many accolades. Carole amazed me when we would have a Family gathering.. She knew my 3 Daughters and would always acknowledge them. Carole was always so patient and kind to my Mother thru thick and thin. She is a mentor of mine that has touched my soul. We will miss and love you always...

“ *I am staying at the Twinsburg Super 8 for the weekend and in the lobby are several plants. As soon as I saw them, I thought of Carole. When I was the front desk supervisor in the Mentor location, the 1st thing she'd do is check the large formica and make sure I was watering it. She was a good woman that has not left my memory; even after over 20 years. I would lay money that those were her plants. When I saw them today, it made me smile. It's like there's a piece of her still here at this location. Rest easy, sweet lady. I hope you have a big garden to care for.*

“ *I am currently staying the weekend at the Twinsburg Super 8, and when I saw the plants in the lobby, I instantly thought of Carole. I remember she liked plants to "spruce things up", as she would say, when she'd visit my location in Mentor. She was a kind hearted woman that made an impact on me; which is why I still think about her over 20 years later. Rest easy, sweet lady. I hope you have lots of beautiful plants where you are.*

“ I recently learned the passing of Carole. My memories begin the day Carole hired me at Super 8. Carole was classy, spunky, caring, and the kindest person you could meet. Her infectious smile would light up the room. She became my mentor and taught me how to be the best in the hospitality world. I was also fortunate to receive the MOM advice when needed! I will cherish the memories. Rest in peace dear Carole.

I'm sorry to hear of Carole's passing. She was one of my moms best friends since they were kids. We lost track of her when she was moved to Florida. I wish someone would have contacted us. I'm Betty Stair's daughter. She was also loved dearly by my aunt Jane and aunt Gladys. We spent many afternoons getting pedicures, drinking margaritas and having lunch. She's been thought of often these past few years and many stories have been retold.

“*Carole was always the most fun person at our family get togethers. She was interested in everyone and always made a point of speaking to each of us. I also appreciated how much she supported our mom who thought Carole was awesome. I always admired her intelligence, independence and happy spirit. I know how much she loved her boys and her grandchildren. And how much they loved her in return. She will live on in their hearts as they remember her warmth and positive attitude. We will all miss Carole very much. Thank you for creating the beautiful slide show. It was a testament to her joyful life.*

“ *My heart is broken. Carole has been a part of my family for as long as I can remember. She will be fondly remembered by my kids as Grandma Carole. I miss her phone calls, from will you come over and climb through my kitchen window because I locked myself out? To come over and have a drink, your mother is here. I honestly could not find anyone more fun to have a drink with. Rest in paradise, beautiful. We love you.*

“ *I will miss Carole. We bonded together in the early years of our deaf sons. Carole and I founded a parent group and worked to help the Kent City Schools do more for our kids. She was fun, energetic, and really liked people. I was privileged to know her and to stay in touch over the years. My heart goes out to her family.*
