

Carolyn Kramer

July 13, 1955 - October 4, 2022

Carolyn Kramer passed away peacefully at her home on October 4, 2022 in St. Augustine, Florida. She was born in Nyack, NY on July 13th, 1955 to Jeannie and Concenzio DeFelice. She raised her two daughters in Washington, DC with her former husband Jeffrey Kramer. Later in her life she moved to Saint Augustine, Florida, rooting herself in the community and fulfilling her dream of living at the beach.

Carol was a wonderful mother who never missed an opportunity to cheer for her youngest daughter Jacquelyn at her horseback riding competitions, or the chance to laugh and bake with her eldest daughter Megan. Carol was a vibrant spirit who loved people, spending time with her daughters and family, being a soccer mom, traveling, playing boardgames, going to the beach, spending summers with her family in Canada, as well as singing and dancing. She was a trusted friend and confidant to many and will be sorely missed by her loved ones.

Carol had a Masters degree in Social Work from The University of Maryland. She lived a life of altruism, helping many families and individuals during her tenured work as a social worker and family therapist in Washington, DC and Maryland. She specialized in families and adolescents and was an avid community service volunteer throughout her life, generously giving her time to many organizations including hospitals, religious communities, underserved

communities, and military families. She loved her work and lived a life centered on helping others.

She is survived by her daughters; Megan Ortega and her husband Nicolás of Baltimore, MD; and Jacquelyn Kramer of Washington, DC; and their father, Jeffrey Kramer of Washington, DC.

She is also survived by her sisters; Christine Taylor and her husband Warwick of Quebec Canada, and their sons, Dagan and Keaton and their grandchildren; and Cathy Guerriero and her Husband Anthony of Goodyear, Arizona.

Information regarding a celebration of life event will follow and will be updated here in the coming weeks.

If you would like to make a donation in memory of Carol, please make a donation in her name to CASA DC, in support of children in the foster care system in Washington, DC.

“ *I am so deeply saddened by this news. Carol and I were friends, confidants, and companions during our girls' years at Barrie and beyond. In our travels and adventures, from Savannah to Florida to the Wilson Pool, we became bonded at the heart and in our intimate sharing and mutual support. She was caring, determined, insightful, and in so many ways modeled for me resilience. Carol always lifted me up, and supported me through some of the most challenging times and movements in my life. She will always be in my heart. My love and prayers go out to her family, especially Jacki, Megan, and Jeff.*

These photos were taken during one of her stays with me after I moved to Fort Myers in 2014.

with love, Luann

Carol was one of the first people to welcome me as a fellow parent to The Barrie School. We spent many afternoons at the riding ring watching our girls ride and talking about life. Although we would have not been in touch for many years, I remember Carol warmly and she I'm sure will be missed by her family.

We will always remember Carol's smile and sense of fun. Raising our kids together, going through challenges as well as celebrations and vacations, was a big part of our family's life. We Thompsons treasure that time and those memories, and send our condolences to the whole family.
