“ *My grandfather was the most wonderful grandfather any girl could ask for. He was a strong, mans man, being both a veteran of the Navy, National Guard and a Deputy Sheriff. Yet, he was never too busy to take me outside to ride my bike or watch my play on the jungle gym. I will miss him everyday, more than words can express. But, I take comfort in the fact that he is not suffering any longer. Thank you to all who read this and take the time out of your day to learn about the wonderful man that my "gampy" was. I love you grandpa!*
