Catherine B Hobin

November 30, 1933 - August 7, 2017

Catherine B. Hobin, matriarch, entrepreneur, 27-Club member, and Zumba dancer, died August 7, 2017 under a full moon on a breezy night in St. Augustine, Florida. Cathy led a rich work life as a registered nurse, model, art teacher, and successful entrepreneur. Early on, she worked three jobs at once while having Suzanne, Colleen, and Rick, as Fred completed medical school in Vermont. Cathy was creative. She studied oil painting under master Mun Quan in Jacksonville, Florida. Her charming stories about the adventures of grandsons Danny and Nick are family treasures. In 1986, Cathy founded Goodbody, Inc. with daughter Colleen in Juno Beach, Florida. Traveling regularly to Miami, Atlanta, and New York on wildly fun and productive buying trips, the two developed three innovative dancewear stores that brought together fashion and fitness in a way that had not been seen before. Even as a small company, they were well known and respected for their innovations and firm independence. Goodbody thrived for 15 years before they retired the business and moved to St. Augustine. Cathy was “a body in motion.” For all her life, she played tennis and golf, did aerobics and karate, walked beaches, practiced yoga, and, once in St. Augustine, found sheer joy on the Zumba dance floor at Anastasia Fitness. Cathy loved to play golf with Fred, cook for her family, go to lunch with the ladies from the gym, and chat with loved ones in her garden room over a glass of wine. Cathy lives

on in the hearts of the adoring family that she led and a loving community of Zumba dancers and fitness fanatics of all types. A celebration of Cathy's life will be held at Marsh Creek Country Club on Saturday, August 19th from 6:00 to 9:00 p.m. All are welcome. The dress code is "sexy chic." In lieu of flowers, donations can be made to Flagler Health Care Foundation at flaglerhospital.org Arrangements are under the care of St Johns Family Funeral Home & Crematory.
