“ I always remember Cathy during the good times. I know Michael shares special memories with his sister from her birth through her childhood. He loved her very much and will have a hard time knowing she is gone. We both know she is at peace now.

“ Cathy - you were one of my very first BFFs. You are the first of my close friends to leave this world and I will always remember you the way we were in 2014, when we laughed just we did as kids. I know life was hard and you are at peace now. Thank you for the smiles and laughs!
