“ To Charles' beloved family, Seeing Charles and visiting with him at our Sylvan High reunion was a treat. I as well as our class are shocked and saddened by his death. Charles seemed always to have the correct answers for our teachers and a friendly smile and "Hello" for all. Charles was a good man and so very intelligent. You have my deepest sympathy, Elaine

“ Charles was "one of a kind". We did so many things together, I can't begin to count them. We had some great times and I will never forget him, nor his Sisters, Mom, or Dad. I know Charles is in a better place now. God Bless and Keep Him!

“ I was saddened to learn of Charles' death. My very best wishes are extended to all his family members and friends. May God bless and comfort you, and may you rest in the certainty of His love. What a special treat it was in May to visit again with Charles at our class reunion. I was so pleased that he came for this last visit. He and I had a great time singing with Joe at the piano. Martha has some good pictures of that. I was a transfer in and he was my friend at Sylvan Hills High School for three years. Carey Jones

“ My thoughts are with Charles' family. He was my classmate in elementary and high school. Charles was one of the smartest people in our class. He was always willing to help others and could explain things in an easy to understand way. I enjoyed visiting with him at our class reunion in May of this year.
