

## Charles H. Beasley

August 26, 1943 - April 30, 2024

Charles H. Beasley (80) passed away peacefully on Tuesday, Apr 30, 2024.

Charlie was a long-term resident of the Chattanooga area but currently resided in St. Augustine. He grew up in Cleveland, TN, and attended high school at Bradley in Cleveland where he was known as Butch.

Charlie, his wife Teresa, and family lived on Signal Mountain, TN from 1979 to 2017. He was very active in the Signal Mountain community and Signal Mountain Presbyterian was the church home for the Beasley family where Charlie was proud to serve as a Deacon and on multiple church committees.

Charlie had a 42-year career at Top Flight Paper company in Chattanooga where he traveled extensively internationally. He retired as a Vice-President and Director of Purchasing in 2010.

Charlie's passion was spending time with family. He could always be found at a local sporting event rooting on his children and grandchildren. While living on Signal Mountain, he was very involved with youth sports and community events as both a coach for soccer and softball. He was also an avid golfer himself and could be often found on the links at the Moccasin Bend golf course.

Charlie is survived by his wife Teresa, their three children, Ruth Ann, Chuck, and Brian, his grandchildren, Sam, Sadie, Vanessa, and Brett and one great-grandchild, Kingston who all affectionally referred to him as "Chach". Charlie is also survived by his sister Laura and brother Billy. Charlie was preceded in death by his parents, Charles and Ruthanne.

The family is having a Celebration of Life in St. Augustine for friends and family. In lieu of flowers, please consider a donation to either Signal Mountain Presbyterian or the Multiple Sclerosis Association ([mym saa.org](http://mym saa.org)) in Charlie's name.

MM

“ *My name is Margaret Millsaps. Charlie was my boss at Top Flight. He was a great friend and boss. He believed in me and what I could add to the company. Ruth Ann I can remember coming into work and seeing the sign all about your birth. I had a lot of fun doing the cakes he wanted for his family. To all of you I am very sorry for your loss. Prayers to all of you.*
