“ *My first knight in shining armor! Thank you for saving me my prince! I loved our happily ever after fairy-tale life, you were an exception father, best friend, buddy! I am more like you than anyone else who had influence on me! I think about you all the time and your childhood in Green Cove Springs, I think about your adult life and wonder if you had a fulfilling life, thinking back on the cars, trucks, race cars, boats, horses, and all the fun times we had, oh yes I know the answer!! I love you and I think about you everyday, I am still enjoying the things you left for me in your memory!!*
