“ *I worked with Chriss, We were on a flight from NY to Skokie Ill for a training seminar. Chriss was up front and I was towards the rear of the plane. I heard the flight attendants say that Tony Orlando was on the plane up front. I laughed to myself knowing that they were talking about Chriss.He and I both liked baking cakes and would share our recent cake photos. PS Chriss can out decorate me !*

“ Prayers for Anne and Chriss Jr. It is so hard to say good bye, I was married to my high school sweetheart for 54 years and he has been gone for 10 yrs and I still miss him everyday..... The one thing I remember most about Chriss is he needed his adjusters license and I had taken the Fla licensing exam... It was recognized in most states and I gave him my test results,, as luck would have it his test was the same one I had and he got his license..... RIP Chriss
