

Christina Louise Allen

January 7, 1947 - October 3, 2021

Christina Louise Allen, 74, of St. Augustine, Florida passed away at the Bailey Family Center for Caring on October 3, 2021. She was born in Boston, Massachusetts to William and Jean (Porter) Allen. Tina was one of twelve children who grew up in and around Boston and southern New Hampshire.

Tina held many positions over the years, including administrative assistant, real estate, and finally in healthcare. Her dear friend Charlene noted that Tina was the “fastest typist I’ve ever seen”. Tina sewed the best Halloween costumes – Buzz Lightyear and a fluffy white dog are among the highlights. Tina was a stickler for décor - Christmas lights had to pass the squint test and must be evenly distributed. There were few home improvement projects Tina would not, or could not, tackle. When she lived in New England she was on the lookout for “good rocks” to complete stone walls. Well-known to have quite the sweet tooth, she loved the candy that everyone else dislikes – jellied fruit slices, circus peanuts, and black licorice. An avid reader, Tina’s preferred reading included mysteries and, more recently, Harry Potter. She enjoyed spending time with her family and friends, and Disney World was a favorite destination where many happy memories were created.

Tina is survived by her children Suzanne J. Edwards (Johnathan) and Matthew A. Jones (Jennifer); her grandchildren Jacob Jones, Joshua Jones, Gabrielle Edwards, and Nathan Jones; and her siblings Bruce Allen, Richard

Allen (Darlene), Rosalie Allen, Susan Rice (William), Linda Clark (Charles), Thomas Allen (Mary Jane), Deborah Pierce (John), Peter Allen and David Allen (Theresa). She was predeceased by her parents and siblings Jean Leach and Neil Allen.

“ I will miss seeing and chatting with Tina everyday. She was a thoughtful and caring neighbor. I could always count on her to keep an eye on my house, feed the stray cat and get my mail whenever we were away. She was a lovely lady and I was lucky to know her.

“ Tina was a delightful woman. She always made me feel so welcome during my visits to Florida. I fondly remember our conversations at the kitchen table and how she would chuckle when I insisted that no, I wasn't too cold. I am sending you my love and thinking of you all.
