“ My deepest sympathies to the family. While I cannot even imagine what you are going through, it is my sincere hope that you will draw strength and comfort from God's promise of the resurrection (John 11:25). The God of the Bible promises to do away with death and it will be a thing of the past (Revelation 21:3,4). We can look forward to the time when we will be reunited with our loved ones who are now sleeping in death.

“ One grieving mother said, "The trauma of the death of a child is something that just cannot be explained. There can be no greater pain." This undoubtedly is an extremely difficult time for the family. In spite of one's faith, at times like this all sorts of emotions race through our minds and heart, one may well wonder how can I cope or bear this load. Thanks to our GRAND CREATOR who will soon restore paradisaic conditions to our earth for he yearns to bring back to life on earth those who have died including young Christopher. (Job 14:14, 15; John 5:28, 29) Because of GOD's promises, you can confidently look forward to the day when you will embrace Christopher again. May this hope warm your heart every time you hear the word "paradise". In the meantime, take comfort in the fact that Christopher is in the memory of an unconquerable GOD whose promises will not go unfulfilled. Hosea 13:14 Please accept my deepest sympathy
