

## Christopher Matthew Moyer

February 25, 1990 - February 17, 2022

Christopher Matthew Moyer, 31; beloved son, grandson, partner, brother, nephew, cousin, and friend, passed away on February 17, 2022. Christopher was affectionately known as Chris, and as part of a military family moved up and down the US east coast before making St. Augustine, FL his permanent home in 2011. Chris graduated from Flagler College in 2015 with a Bachelor of Arts Degree.

Chris embodied life on the coast. He began his love affair with the ocean in the Outer Banks of North Carolina, where he learned to surf as a young man with his father. He had an adventurous spirit for trying new things and exploring exotic places. He loved to travel to beautiful surf spots, most especially Costa Rica. Chris used his love for photography to capture the beauty in nature as well as the human spirit. His mind was constantly being stimulated by various hobbies, such as tending to his herb garden and unique plants, elaborate fish tanks, culinary techniques, building gaming consoles, treasure hunting, or simply tinkering with his first Land Rover.

Christopher is missed dearly and memories of him will live on in the hearts of his father Matthew Moyer and stepmother Amina Moyer of Southern Shores, NC; mother Katherine Willis of Pittsburgh, PA; sister Kandace Fulmer and husband Neal of Newport, NC; grandmother Jeanine Willis of Easley, SC; step-grandmother Fatima Benson of South Mills, NC; life partner Dr. Leonard

Bennett of Jacksonville, FL; along with many aunts, uncles, cousins, and friends across the country who love him now and forever.

“ I met Chris back in 2016 when I was going through a really rough time. He was a beacon of light and I will never forget what he did for me! Had the pleasure of spending 2021 watching him further his plant obsession. Got to even learn a bit about how a terrarium works. I am so very saddened by hearing of his passing. He will be very much missed!

“ I first knew Chris as one of my employees at SPY Global Cuisine. "An arrogant little shit my Partner once said" to which I said " I know. That's why I like him". He was just a kid to me at first. But as I saw his passion for Sushi, the practiced skills well beyond his years and his meticulous attention to detail the more I saw him as a colleague. When our renowned Executive Sushi Chef left to start his own restaurant, Chris stepped in and stepped up. He was not given the position of Executive Sushi Chef; he simply moved into it. He went from that cocky little kid, to my colleague and, more importantly; Friend. I loved our after shift beer talks in the Courtyard. Sometimes I felt like a Mentor and sometimes I felt like the Mentored. Especially after one of our Philosophical "discussions" where I used to joke that he was the son I wish I never had". I really meant the opposite and I hope he knew that. Give em Hell in Heaven, Chris; and let me know if you ever need a reference.

“ Chris was such a kind soul. He was always happy to share a few glasses of wine, cook a tasty meal, and lend an ear if you needed someone to lean on. He was one of the sweetest, funniest, and most genuine people I have ever had the pleasure of knowing. He was a wealth of knowledge, and was always excited to teach you something new. He would do anything for you, never expecting anything more than a smile in return. He was the kind of friend we all hope to find. I am saddened at the news of his passing and sending my deepest condolences to his family and friends.

“ My heart breaks to hear the news of Chris' passing. 💔 Matt and Amina I am so very sorry. I know he is missed. One very fond memory I have of Chris was when one day I came home from the grocery store and he was outside and saw me. He came over and helped me bring the groceries in the house. 💕 He was always so polite.
