“ We are so saddened to learn of the loss of our beloved friend, Cindy. Her thoughtfulness and compassion meant so much to our little family, and her devotion to not only her own family (who were clearly the light of her life), but also the families she served, shone so brightly. She will be missed.

“ Cindy was an amazing women. I will always remember her voice. When she came into the office or when we were on the phone she always said 'Hi Sweetheart.' She made me feel like I was part of her family. Cindy, I miss you everyday and think about you and your family all the time. Thank you for being such a great friend.

“ Cindy was a great personal. She was always very happy and loved to look at the bright side of things. She supported and helped me with both my young children. She was like a 2nd mother to me. She will be greatly missed by my family and I. My sympathy goes out to her family and other friends.

“ My heart goes out to all of Cindy's family and friends. I loved working with Cindy! She was always so positive and supportive. During our massive holiday drive she had a special way about her that made sure she took care of all of her families. But she also made sure that those of us who coordinated the effort felt appreciated. And, she would always willingly help organize and straighten everything. There are so many reasons we will all miss Cindy! Keeping you in our thoughts and prayers...

“ Hard time dealing with the passing of my supportive friend, Cindy. I was unprepared. Thank you for being my velvet rock. Your kindness, gentle strength, generosity and compassion will remain in my heart forever. I can still hear your voice. You helped me get through the most challenging, beautiful and important part of my life (being pregnant and becoming a mom). Guardian angel you are. Thank you for nurturing me. We love you (my parents, my baby and I) and I miss you dearly.

“ Cindy was one of the most kindred spirits. She was so caring as a friend and as a coworker. She was a gift from Heaven that we who loved her knew would be called Home . Her love for her children and grandchildren was so inspiring to me and others. I will feel her loss until I meet her again. All my love to the Garmon and Power family.

“ What remember most about Cindy was her love of and devotion to her family. They were such a source of joy to her. She also brought this value of family to her work. A family Cindy worked with referred to her recently as their "big Angel". She will be missed.

“ Cindy was a pleasure to work with...walking in the office with purses matching the buttons of her shoes...asking me to wait five minutes before my bombarding questions...telling me about her beloved families and her own that she cared outmost for...recalling stories of her children, grandchildren...and Moose... molding me for the better, professionally and otherwise.never thought such pictures in my head would become memories of my soul.. Cindy, it was my privilege to know you. You had told me so often that we could choose whom we wanted to see in Heaven.. Hope to be on your list when we meet again...

“ Cindy and I worked together on a case a few years back, and continued our connection, even though she was in St. Augustine, and I am in Jacksonville. I respected her as a person, a professional, and will miss her as a co-worker. May thoughts and prayers go out to her family.

“ Cindy was a wonderful person. She was so very dedicated to her clients and the work that she did every day. She was very important part of the program success. I remember that each time I saw her she would look like the perfect picture of spring; bright colors, bright smile and always a cheerful word. She would always ask how my children and family were doing and we would swap grand child stories. Cindy loved her family!!!! She will be thought of often and missed greatly!

“ My memorys are when Cindy and I talked about the lord. We shared in our beliefs that our souls will be blessed by Jesus and the resurrection will be glorified in his name. We worked together twelve years and watched each other grow in our careers as well as raise our children. That was Cindys pride and joy. And those Grandchildren pics everywhere. My thoughts and prays are with Cindy and her family. God Bless each and everyone of you.
