“ Tim. I'm so sad and sorry Cindy had to leave you. I'm sure she is resting in peace and good health in the house of our Lord. I have so many memories of Cindy that will live in my heart.. Being at your wedding, the Moroccan restaurant you two took me to AND I HAD TO EAT WITH MY FINGERS. But most of all when you both came to Pittsburgh and we played that game where I was a sheep and kept baahing everytime I had to talk. We all had such a good time laughing like crazy. It was always fun being with you two. I will always hold Cindy and those memories in my heart. My love is with you. Give Cindy a kiss from me. Love you both. Aunt Gloria.

Cindy was my very best friend, or BFF as we called it. She knew the original me, and accepted me and I knew the original her, and I accepted her. We truly had a very special friendship. During Cindy's struggles with kidney dialysis, I tried to be by her side all the way, cheering her on that she can do this and also live a long time. Everyday we would communicate one way or another and tell each other our day. She would call me girlie, and I would call her chickie, or vice versa and it made both of us smile. Whenever I would vacation to Cape Canaveral, Florida, I wanted Cindy to stay with me and hang out. We had so many good memories that I will hold onto forever! Love you BFF forever and a day!

Tim, Kristen and Kevin please do not forget that I am always here for you. Cindy would have wanted that. Much love to you ALL!
