“ Aunt Tiny was my mother’s dearest friend and cousin. I wish someone from the family had let us know. I was keeping in touch with her on Facebook and was missing her today, so I googled and found out she was in heaven with Mom.

“ My husband and I knew Miss Clark for many years. We got to know her through a friend and by using her boat launch for many, many years. She saw our daughter grow up because we always had conversations with her at the boat ramp. She met our grandson and just lived her. She knew our dachshund dogs through the years. We grew to love her throughout the years. She will be missed. Prayers for her family.
