

Dana Lynn Ivey

January 11, 1969 - January 4, 2021

Dana Lynn Ivey, 51, passed away peacefully at Community Hospice at The Bailey Center, in St. Augustine, FL on January 4, 2021. Born in Fayetteville, TN to Shirley Wright Ivey, Dana is survived by her two sons, Jeremy Caswell, 31 and Tyler Ivey, 27, her grandchildren Carter, Gavin, Tilian, Reagan, and Charlee, and her sister, Dawn Anzualda, as well as many friends-like-family.

Native of Jacksonville, Dana also lived in Fort Worth, TX for some time.

She was a sweet spirit, kind, and generous. She loved animals, especially her cats. Dana loved music and would belt out a good southern rock anthem with the best of them. She was known as Nayna to her grandbabies, who she loved very much.

Dana's wish was to be cremated and we know her body no longer holds her because she is dancing in heaven with her mom and many more that have gone before her. Dana accepted Christ as her Savior and renewed her commitment with Him recently. Her friends and family are heartbroken, but will love one another and remember her always.

In lieu of flowers, donations can be made to Catty Shack Ranch Wildlife Sanctuary in Dana's name. A Celebration and Remembrance of Dana's Life will be held at Stinson Park, 4050 San Juan Avenue, Jacksonville, FL 32210

at 11:30 on Sunday, January 10.

“ *My precious Dana! My heart hurts so bad that you are no longer here with us, but at the same time, my soul rejoices knowing you are dancing through the streets of gold with your brand new, bright red toenails. I know you are at peace and enjoying all that heaven has to offer you! I will take care of Jeremy and Tyler, just as I promised you I would.
I will remember and cherish every single moment we had together.
Forever in my heart! Love, Brenda*

“ *When I think of our Nayna I think of music, coffee (with lots of sugar and a little cream) Movies, (especially comedies) Laughs, and cats. She was always putting others before herself no matter how much or how little she had. She always was up for a good laugh or a great Florida football game. She was one of a kind for sure and I'm so glad to have been a part of her life. So lucky to have had her in ours.*

Dana..you were my best friend. You made my life better, you made my kids lives better. I will miss you the rest of my days. ❤️❤️
