

Darrell Evans

December 13, 1952 - November 18, 2025

Darrell Evans, age 72, of St. Augustine, passed away on November 18, 2025 at his home with his family by his side. Darrell was born in Ironton, OH to parents Guy and Norma Jean Evans. He grew up in Flatwoods, Kentucky and was a graduate of Russell High School with the class of 1969. After his graduation, Darrell trained to become a Radiology Technician with the guidance of his friend and mentor, John Rucker at Bellefonte Hospital in Ashland, Kentucky. Darrell would go on to enjoy a long and successful career in field of Radiology for more than 30 years. He served as the Director of Radiology for Flagler Hospital before a stroke forced his retirement in 2010. His dedication and professionalism earned him the respect and admiration of his colleagues and all who knew him. Darrell loved his work and spent his life making a positive impact in the world, both personally and professionally.

Outside of work, Darrell was a devoted husband and father. Affectionately known as "Baby" or "DE", he enjoyed spending time with his family and especially loved his grandchildren Tyler and Daniel. Though he was not known to be an outdoorsman, he did enjoy fishing. Darrell also loved to ride his Harley Davidson motorcycle and was always looking for an excuse for a ride.

Darrell's faith was important to him. He grew up in the charismatic church, and later became a member of Christian Life Center in Palm Coast.

He will be remembered for his laid back attitude and family members described him as a humble man with a gentle spirit. He will be deeply missed.

Darrell was preceded in death by his parents, Guy and Norma Jean Evans. He is survived by his loving wife of 36 years, Susan Evans, his cherished daughter, Michelle Day, along with her husband, Nick Day; his sister, Paula Blanton and husband David of Flatwoods Kentucky; his brother, Guy Evans Jr. of Ohio; and many extended family members including sisters and brothers-in-law and many nieces and nephews. Family meant everything to Darrell, and his kindness, humor, and support will be deeply missed.
